MEMORANDUM FOR: Central Cover Staff

ATTENTION : ☐ ☐
SUBJECT : Emergency Travel Orders for AEDEPOT Assets
REFERENCE : Conversation on 16 November 1962 between ☐
☐ of SR/DOB and ☐ of OCS

1. This is to confirm our request that OCS explore the means by which the emergency call-up of AEDEPOT assets could be facilitated by the pre-issuance of travel orders (letter or telegraph; bonafide or spurious) directing their travel to an assembly point. It is intended that the orders would be held by appropriate Office of Security field offices until needed, at which time they would be dated and given the agent. It is further intended that the orders would be used only to facilitate the agents' entry into a designated pickup point (air base), although any priority which could be given the orders might prove beneficial.

2. Per reference, we will await your recommendations.
